Contractual Terms Associated with the Post	<p>Safeguarding and protecting adults and children at risk are key priorities for us. We aim to support adults, children and young people at risk to ensure they are as safe as they can possibly be. We acknowledge their right to protection and will take action to safeguard their welfare. Each member of staff and volunteer is expected to share this commitment, and we will require an Enhanced Check by the Disclosure and Barring Service (DBS) before appointing to this post.</p>

Duties and Responsibilities

DUTIES

Team Working

- work across social care teams to learn how manage a caseload of service users (adults/children/young people) with the support and under the supervision of qualified staff
- work in partnership with staff from other agencies, e.g. Health and Voluntary Sector and undertake a co-ordinating role where appropriate
- attend multi-disciplinary meetings to represent the social care perspective, promoting independence, choice and autonomy where appropriate

Assessments and Working with Service Users, Families and Carers

- assist with assessments of individual children, families or adults where those individuals have support needs (this will include both individual service users and carers) to identify how the needs of the individual/family can be best met and safeguarded, through appropriate services and interventions
- assist with assessments of parenting capacity within a family and identify the appropriate support to meet the needs of those parents to ensure that they are able to meet the needs of their children
- offer or help identify an appropriate source, for parenting support or support for carers where there is an identified need
- monitor and review where appropriate Part 4 care and support plans, to ensure that they are meeting the needs of the individual and progressing
- apply the methodology of the Signs of Safety practice framework to:
 - contribute to timely assessments across families and networks, developing, delivering, monitoring and reviewing interventions as required to meet relevant timescales
 - deliver person-centered, outcome focused work with individuals, families, carers, groups and communities that promotes independence, wellbeing and social inclusion
- assist service users, families and carers to participate in any assessment processes and provide them with appropriate information to enable them to make informed choices about those services available
- advocate with and on behalf of individuals, families, carers, groups and communities, or assist them to access independent advocacy services
- where appropriate, provide information and support for individuals (including funding implications) to access specialist provision and care homes
- participate in completion of appropriate assessment tools used to determine level of need to inform individuals' care and support plans

Analysis and Judgement

- respond to ongoing enquiries; gathering and analysing information to inform decisions and develop professional judgement
- prescribe solutions, under the supervision and support of qualified staff, for all identified needs such as minor equipment and adaptations that promote service user independence, support and possible breaks for carers and access to community support for families
- contribute to the development, planning and control of resources available to support social care interventions and complete commissioning and financial documentation where appropriate and in accordance with service policies and procedures

- construct and implement, under the supervision and support of qualified social work staff, Care and Support Plans that are family-centered and outcome focused that respond flexibly to changing needs of the family

Quality Assurance

- ensure that the support in place is meeting assessed needs
- to evaluate the service user's satisfaction with the support provided
- learn how to assess risk positively and where necessary develop risk management plans when implementing family support plan or managing ongoing progress
- maintain appropriate records in accordance with Council or Service requirements, including a clear record of assessments, care plans and the provision of statistical information

Academic duties and responsibilities:

- to meet the entry requirements of the Open University in Wales Social Work degree programme and register as an Open University student within the specified timescale
- register with Social Care Wales as a Trainee Social Worker
- to meet all the requirements of Open University social work degree programme within the relevant timescales
- to prepare for and attend all supervision/training/ workshops/tutorials and meetings with Managers, Mentors, Tutors and Practice Assessors
- to prepare academic assignments to meet all Open University academic requirements and deadlines
- to develop knowledge of social work theory and practice
- to meet the requirements and competency levels of all practice placement periods
- to attend student support groups
- to be proactive and responsible in addressing own learning needs
- to be receptive to and utilise feedback to develop both academic and practice skills

General Responsibilities

- under the supervision and support of qualified staff, develop the level of knowledge, understanding and skills required to evidence competence in social work tasks and meet the required standards
- actively promote the Welsh language and service user language preferences as required by the Welsh language standards and More than Just Words framework
- develop effective partnership working with internal and external colleagues and other agencies
- promote the concept of "dignity in care", protecting the family rights giving them voice and control and to be aware of the Safeguarding policies and procedures; taking appropriate action to protect service users
- be aware of the Council's Liberty Protection Safeguards (LPS) procedures and to advise managing authorities, e.g. care homes of how they can make an appropriate referrals in situations where deprivation of liberty might be a factor
- adhere to relevant statutory legislation and guidance, internal policies and procedures in relation to professional and administrative matters
- to attend team meetings, supervision sessions and training courses when appropriate and as directed by the Team Manager, for personal and professional development
