Salary	£56,999 - £59,095
Job Purpose	<p>The Mid Wales Growth Deal (MWGD) is a partnership between Ceredigion and Powys Councils (as part of Growing Mid Wales) to deliver a combined £110m investment from UK and Welsh Governments to significantly grow and develop the regional economy in partnership with the private sector.</p> <p>The Portfolio Director will report directly to the Portfolio Senior Responsible Owner (SRO) and will take forward the management of the Portfolio Management Office (PoMO) to ensure the MWGD Portfolio successfully enters Delivery phase.</p>
Contractual Work Location/Base	Aberystwyth, Canolfan Rheidol (Hybrid)
Hours of Work	37 hours a week
Type of Contract	Full-time
Contract Duration	Permanent
Line Managers Job Title	Senior Responsible Owner (Mid Wales Growth Deal)
Supervisory/Managerial Responsibilities	<ul style="list-style-type: none"> • Management of the Portfolio Management Office (7 FTE) • Budgetary – Operational Management of the MWGD Revenue budget • Strategic management of MWGD Portfolio Capital budget
Accountability	Accountable to the Senior Responsible Owner (SRO) for the Mid Wales Growth Deal
Contractual Terms Associated with the Post	Hybrid working – however will require a minimum of 2 days in the office with the team weekly.

Duties and Responsibilities

To be responsible for leading the Mid Wales Growth Deal Portfolio and its constituent Programmes and Projects to successfully delivered the objectives set out and agreed in the Final Deal Agreement with UK and Welsh Government.

To be responsible for the prioritization and effective allocation of resources across the Portfolio to ensure optimal delivery of the objectives agreed.

Project Pipeline:

- work with the SRO to develop an approach to develop and maintain a pipeline for the Portfolio Board to regularly review.

Governance and Reporting:

- to establish clear governance framework and reporting regime aligned to Management of Portfolios best practice. Co-ordinate reporting from programmes and projects and provide analysis of performance at portfolio level for review by regional governance.

Business Cases and Assurance:

- work with programme and project teams to co-ordinate business case production ensuring appropriate specialist input and timing of approval through governance framework, providing best practice advice and guidance.
- Oversee the Integrated Approvals and Action Plan (IAAP) for the Portfolio. Ensuring clarity on decision points pertaining to business case development and delivery and ensuring appropriate levels of assurance.

People and Leadership

- Communicate and build commitment to a shared vision and sense of purpose within the Portfolio Management Office, and in conjunction with the SRO, with external stakeholders.
- Support the PoMO and the constituent Programme and Project teams across the Portfolio to take decisions independently and take the lead in their area of expertise.
- Champion implementation of the Portfolio across the organization and provide overall lead and direction.
- Promote an energized culture focused on collaborative working in the interests of the Portfolio as a whole.

Planning, scheduling and resourcing

- Maintain Portfolio delivery map and critical path to monitor Portfolio progress.
- Developing the PoMO team to ensure accurate and effective analysis to recognise and track interdependencies across the Portfolio.
- Recommend how financial and other resources be allocated across change initiatives to optimise return on investment.
- Develop strategies to address resource gaps.
- Ensure the Portfolio evolves to reflect changes in strategic directives and business priorities – optimising delivery.
- Manage the integration of outputs and dependencies within strategic objectives.

Risk and opportunity management

- Identify and monitor Portfolio risks (threats and opportunities), planning and implementing responses to them and responding to other issues impacting the Portfolio.

- Ensure that project/programme risk management is embedded across the Portfolio, and is consistently applied, reported and analysed to provide senior management confidence.
- Take swift action in responding and escalating significant risks to governance/management.

Stakeholder management

- Support the SRO in cultivating and managing a range of relationships and key strategic alliances with internal/external stakeholders.
- Ensure regular review of the Portfolio to support senior stakeholder reflection on the Portfolio based on a clear understanding of cost, risk and contribution to strategic objectives.
- Map and maintain stakeholder interest and influence to determine priorities for engagement and communication.
- Communicate regularly and obtain input on issues.
- Engage in debate to resolve issues and differences between stakeholders and to challenge assumptions.

Benefits management

- Develop an approach and oversee maintenance of benefit measurement and tracking over multiple years. Change or stop activities that are no longer adding value.
- Establish ownership and responsibility across the Portfolio, PoMO and partner organisations for benefit realisation.
- Review business cases to regularly assess progress towards benefits realisation.
